8 CGPA

XII, Convent of Gagan Bharti, New Delhi | 2021
85%

X, Convent of Gagan Bharti, New Delhi | 2019
85%

Projects

Patient Records Management System | June 2024 – August 2024

- Developed responsive and interactive user interfaces using Angular to enhance the user experience for healthcare professionals managing patient records.
- Implemented dynamic data binding and real-time updates with Angular's two-way data binding feature, ensuring seamless synchronization between the user interface and underlying data.

E-Commerce Website | February 2024 – April 2024

- Developed a dynamic and responsive user interface using Angular, enhancing the shopping experience with smooth navigation and high performance across devices.
- Utilized Angular's reactive forms to build robust and user-friendly forms for data entry, validation, and submission, reducing errors and improving data accuracy.
- Integrated Angular's routing module to create a seamless navigation experience between different sections of the website, including product pages, checkout, and user accounts.

Experience

Front – end Intern | June 2024 – August 2024

Sharajman Technologies | Delhi, India

- Developed and maintained responsive web pages using HTML and CSS, ensuring a seamless user experience across various devices.
- Implemented dynamic and interactive features with Angular, improving the overall functionality and performance of web applications.
- Utilized Bootstrap to design and build mobile-first, visually appealing user interfaces, enhancing the overall aesthetic and usability of the projects.
